Subject: EXPEDITE for Administrator SIGNATURE ASAP: Asbestos; Notice of Availability; Draft TSCA Risk Evaluation and SACC Meetings (FRL-10006-93)
Attachments: 10006-93_ActionMemo (Asbestos) ADD_eSigned.pdf; 10006-93_FR_Doc_for_Administrator_eSignature.docx; OCSPP-RICS_Quick Reference_ARW eSign for FR Documents .pdf; 10006-93_CMS Control Slip_OCSPP-20-000-4406.pdf

PLEASE EXPEDITE – The Administrator Signature is needed asap so that this can be released this evening, March 27, 2020.

Hi Neshawne, Cynthia, Ruth et al.,

On behalf of the OCSPP AA, Alexandra Dapolito Dunn, I have been authorized to submit the following Federal Register Notice for expedited Administrator signature:

**Asbestos; Draft Toxic Substances Control Act (TSCA) Risk Evaluation and TSCA Science Advisory Committee on Chemicals (SACC) Meetings; Notice of Availability, Public Meetings, and Request for Comment
[FRL-10006-93]**

Timing Sensitivity? Yes! To give the FACA 30 days before the peer review public meeting and respond to stakeholders, we are planning to announce the SACC Meeting on March 27th, along with the availability of the Draft Risk Evaluation for public comment. See the Action Memo for more details.

What is provided? Attached are the electronic versions of the documents:

1. Action Memo – As eSigned by the AA on March 26, 2020
2. FR Document (FRL-10006-93) – Ready for the Administrator's DIGITAL Signature
3. OCSPP Instructions for Digital Signature for FR Documents – Since this is our very first attempt
4. CMS Control Slip

Is this in CMS? Yes. The CMS number is OCSPP-20-000-4406.

Digital Signature? I understand that OP has explained that digital signature is required and must be done in Word and using the PIV certificate. Consistent with OP's instructions, attachment #3 is a copy of the instructions we used in OCSPP. OCSPP is an early adopter of eSignature for FR Documents and has successfully eSigned and published over 310 FR documents so far.

Post eSign Process? Please everyone us when the FR Document is signed and send the eSigned file to me for further processing. *[As a reminder for the recipients, the signed copy provided in that email cannot be used as the Pre-publication Copy. We will provide that separately to the Communications/Web team.]*

Thank you in advance for helping expedite the signature processing for this.

If you or anyone else has any questions, please call **me at 202-564-0258**. Thanks!

- Angela
